

Conference Program Spring 2021

Day 1: Data Automation (Wednesday, 2021-05-19)

Time (CEST)	Event
10:00	Data Warehouse Automation: A Primer (Frederik Naessens & Mark van der Heijden)
11:30	<i>Lunch Break</i>
13:00	<i>Conference Kickoff</i>
13:15	How to Agree to Disagree: A Schema for Data Warehouse Automation (Roelant Vos)
13:45	DataMerlin, the Data Warehouse Automation Platform (Iztok Šerbec)
14:15	dbtvault: An Extension to dbt That Supports Data Vault Generation (Alex Higgs & Neil Strange)
14:45	DataOps with the Datavault Builder (Petr Beles)
15:05	<i>Coffee Break</i>
15:30	Data Warehouse Automation from a Business Point of View (Norah Wulff)
16:00	Shared Design, Multi-Environment: A Unique DWH Architecture (Tevje Olin)
16:30	Panel Discussion: Data Automation (hosted by Torsten Glunde)
17:10	<i>Conference Day Wrap-Up</i>

Last change: 2021-05-20

Conference Program Spring 2021

Day 2: Structure and Reality (Thursday, 2021-05-20)

Time (CEST)	Event
11:00	Introduction to Datavault Builder (Petr Beles)
12:00	<i>Lunch Break</i>
13:00	<i>Conference Day Kickoff</i>
13:15	It Is High Time for Bottom Up (Lars Rönnbäck)
13:45	Open Texture: Why Language Keeps Changing More Than You'd Like (Joost Jacob Vecht)
14:15	The Creation of Identifiers (Patrik Lager)
14:45	A Selection of Practical Agile Data Patterns When Using Data Vault (Shane Gibson)
15:05	<i>Coffee Break</i>
15:30	Successful Requirements Engineering for your DWH Using ELM (Torsten Glunde)
16:00	Fact-Oriented Modeling: Model Once, Develop Anywhere (Marco Wobben)
16:30	Panel Discussion: Structure and Reality (hosted by Tanja Ubert)
17:10	<i>Conference Day Wrap-Up</i>
18:30	Virtual Happy Hour

Last change: 2021-05-20

Conference Program Spring 2021

Day 3: Those Pesky Humans (Friday, 2021-05-21)

Time (CEST)	Event
11:00	What Is a “Customer”, Really? Conceptual Modeling with Ellie (Juha Korpela)
12:00	<i>Lunch Break</i>
13:00	<i>Conference Day Kickoff</i>
13:15	Those Pesky Humans: Why Your Interpretation of “Client” Is Wrong (Jan Mark Pleijsant & Robert Hissink Muller)
13:45	Words Are Not Variables: Communication-Oriented Data Modeling (Veronika Haderlein-Høgberg)
14:15	Remote Data Modelstorming: Fun-Packed Modeling at a Social Distance (Lawrence Corr)
14:45	Data People Are Too Much Behaving Like a Tribe (Martijn ten Napel)
15:05	<i>Coffee Break</i>
15:30	Serving the Data Management Community Using Social Networks (Howard Diesel)
16:00	Those Pesky Humans: Understanding Personal Dynamics in Data Modeling (Len Silverston)
16:30	Panel Discussion: Those Pesky Humans (hosted by Jody Johans)
17:10	<i>Conference Wrap-Up</i>
